OUR DECLARATION OF PRINCIPLES

We believe that in essentials there is unity, in non-essentials liberty, and in all things charity.

We affirm that, "An honest man is the noblest work of God."

We scorn not to receive instruction from the humblest object that offers us its lesson.

We believe that a man's life consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

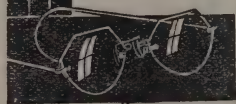

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country and Mankind.

GRANGE CODE

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "stranger within our gates."

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to defend those he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will always speak a good word for my grange and an encouraging word to the Master and Lecturer.

I will try to make the Grange a better organization from my being a member.

WHAT IS A MUTUAL SAVINGS BANK?

1. The primary object of the Savings Bank is not to make money, by using funds in all kinds of business. It simply receives the savings of its depositors, assembles them and invests them in gilt-edge securities prescribed by law.

2. It is to help you to add to your principal, rather than to help you get rich from your interest.

3. Security is the main object, not profit.

4. It is an institution that exists for the public welfare.

Money deposited in the Mechanics' Savings Bank
